Re: Water Right Permit No. G2-27826 for Sun Meadows Water System

Dear Kate:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development of this permit for municipal supply purposes. Sun Meadows Water System is actively serving at least 115 homes with only a few undeveloped lots remaining.
- Additional time is needed to achieve full build-out of the Sun Meadows community and maximum beneficial use of water due to the development timelines of individual lot owners.

The new deadline to submit your *Proof of Appropriation of Water* is **March 1, 2020**.

If you have any questions, please contact Marie Peter at (360) 407-0279 or mpet461@ecy.wa.gov.
